5.1. Budget Committee Meeting Minutes from April 17, 2023

A motion was made by LaRue to approve the April 17, 2023 budget committee meeting minutes. The motion was seconded by Councilor Kirby and approved unanimously.

6. REVIEW THE CITY OF CONDON BUDGET MESSAGE & OTHER DOCUMENTS

6.1. Budget Message for the 2024-25 City of Condon Budget

A budget message was included in the budget packet for review of the committee projects that the city has completed or is working on this year, and projects proposed for the 2024-25 fiscal year. CA Greiner gave a brief summary of the projects that are being completed in the current fiscal year and the projects that are scheduled to be completed in the 2024-25 budget year. Sge did note that one change that will be shown in several of the city's funds is an additional public works employee.

6.2. Budget Notes for the 2024-25 City of Condon Budget

Budget notes for each fund were included in the packet. CA Greiner stated that there was one change in the fire department budget which was an increase from \$11,000 a year to South Gilliam County Rural Fire Protection District to \$17,500. This was received after the budget had been completed. She stated that this was a reasonable request due to no increases since the

inception of the agreement in 2015. She will explain the other changes as the committee goes through the budget under 7.1 on the agenda.

6.3. Other Related 2024-25 Budget Documents

The packet included council's approved goals and priorities approved February 7, 2024.

7. REVIEW & DISCUSS THE 2024-25 CITY OF CONDON BUDGET

7.1. Discuss and Review the 2024-25 City of Condon Budget

CA Greiner went through the budget by fund:

General Fund - Down slightly due to larger than normal transfers from the General Fund to other funds. She noted in the revenue that interest has doubled from prior year, taxes and WM host fees have increased, and the swimming pool contract was increased to account for wage increases. The Gilliam County SIP funds have decreased and should continue to decrease with no projects having the city getting as much in funds in the next few years. There is a placeholder for outside grant funding of \$100,000.

- Administration - expenses have increased due to changes in personnel costs and funding for some construction on City Hall and increased Community Projects to account for a \$2,500 donation to the Condon Food Pantry.
- Police - expenses email the same.
- Fire - Request of a 59% increase in contract amount. First increase requested since 2015.
- Golf Course - significant increase due to construction of a new golf course clubhouse at a cost of approximately \$210,000. This project may start in June 2024, which may require a supplemental budget, then will not sure the full \$225,000 budgeted.
- Park - slight increase due to wage and benefit increases.
- Swimming Pool - relatively the same, but working with NCESD to provide free swim lessons to children that live in their region - Gilliam, Sherma and Wheeler Counties.
- Non-Departmental - lowered the amount of transfers to build back up the cash reserves in the General Fund, which also lowers the Contingency.

Memorial Hall - decreased significantly with projects completed in the current fiscal year that include floor refinishing and minii-splits that allow for air conditioning.

State Street - increased due to grant from ODOT from Small City Allotment raising from \$100,000 to \$250,000 and the completion of the North Main Street project.

State Revenue Sharing - remained the same with no projects planned at this time. The city's dark fiber lease is in this fund and continue to look for projects to use the access to fiber.

Development - increased due to no large housing project completed this year and had a significant transfer in for potential projects. This may include continued development at Fairway Housing by golf course, or some housing and planning issues with the Condon Grade School Building.

Water - increased due to adding another full time public works employee that is to start no later than July 1 of which 40% of that cost is account for here.. The bulk of the change is in lowering the contingency to account for this new employee.

Sewer -similar to water fund that accounts for 40% of a new full-time public works employee which is by adjusting the contingency.

Equipment Reserve - no major equipment purchases were made and the transfers remained the same.

Condon Grade School - the facility is currently owned by Environmental Sentry Corporation Port of Arlington but it is anticipated that it will be returned to the city once it has been abated. The funds are to start with the planning, engineering and architectural work if the building is repurposed. The estimates for repurpose into housing and common/public space has been estimated between \$8.9 - \$12 million.

PO Box 445
Condon, OR 97823
P: 541-384-2711
F: 541-384-2700

Sewer Reserve - this has increased by interest and fees that are charged monthly on the sewer accounts.

Water Trust - this is not budget and contains the deposits of water/sewer customers.

Transient Room Tax - total fund is approximately the same amount of money as previous year. CA Greiner noted that the city is contracting with the Oregon Department of Revenue to do the collection fo the tax at a cost of \$10 per rental per quarter. This will streamline the process and is an inexpensive method to collect the tax. Councilor Jamieson asked if this also applied to the Condon Motel and Hotel Condon, which CA Greiner said that it does and remains the same rate of \$10 per quarter as the Air BnBs.

Water System Improvement - This is where the remote-read meter project is budget that is approximately \$300,000 of which \$200,000 is paid for by a Gilliam County Capital Investment Grant. This is to be completed by September 30, 2024. The fund has decreased due to the city storage shop project cost was split between this fund and the Wastewater Improvement fund (030). Schott asked what the total cost of the city shop was and CA Greiner said it was \$340,000.

Wastewater System Improvement - the cost of the city storage shop was included in this fund which notes the decrease in the overall fund total. The other project that is schedule for 2024-25, is replacement of line on Gilliam Street from Main to Ward streets.

Water Equipment Reserve - increased from transfer and interest income allocation. No major purchases were made this year.

Sewer Equipment - increased from transfer and interest income allocation. No major purchases were made this year.

Debt Service - this fund collects taxes from a bond to pay for the cost of construction of the wastewater treatment plant and shop and meets the requirement of the debt instrument.

8. MOTION TO APPROVE THE 2024-25 CITY OF CONDON BUDGET OR A CONTINUANCE TO APRIL 29, 2024

A motion was made by Councilor Parm that the City of Condon budget committee approve taxes for the 2024-25 fiscal year at the rate of 7.2820 per \$1,000 of assessed value for operating purposes, and in the amount of \$26,000 for payment of bond principle and interest. The motion was seconded by Councilor Hall and approved unanimously.

A motion was made by Councilor Hall that the City of Condon budget committee approve the 2024-25 proposed budget as presented. The motion was seconded by Councilor Parm approved unanimously.

9. ADJOURN

Mayor Hassing adjourned the budget committee meeting at 7:28 p.m.

Attest: _____
Kathryn Greiner, City Administrator

TO: Budget Committee Members
FROM: Kathryn Greiner, Budget Officer
SUBJECT: 2025-26 Budget Message
DATE: April 2, 2025

The City of Condon’s 2025-26 proposed budget is presented to the Budget Committee for examination, review, comment, and possible modification. A short summary of changes in funds and projects has been outlined in the attached document for clarification purposes. The budget committee meeting will hear the budget message and anticipated changes within the operations of the city for the next fiscal year. Comments, questions, and discussion will be held **Monday, April 21, 2025, 7 p.m.** budget committee meeting. If another budget committee meeting is necessary, it will be held April 28, 2025, 7 p.m. at City Hall, 128 S. Main Street, Condon. City of Condon will offer the budget committee hearing in person plus allow anyone that wishes, to participate via Zoom. The Zoom link will be located on the City’s website – www.cityofcondon.com

REVIEW OF 2024-25

The city completed its required copper and lead water line survey, and installed remote read and leak detection meters during the year. The total cost of the project was approximately \$800,000, which a grant of \$196,000 was received from Gilliam County to offset the cost of the meter portion of the project. The city had budgeted \$350,000 for the meter project which included engineering and project management, but did not consider in the grant process for the survey portion of the project. The budget supported the required survey, but it did drop the water improvement fund (020) down to a level it hasn’t seen in several years.

Public Works crew also completed a sewer line replacement on Gilliam Street (between Hotel Condon and Gilliam County Public Library) and portions of water lines were repaired.

The city continues to operate the Condon School District swimming pool with the financial support of Gilliam County. The golf course clubhouse was demolished and although it was scheduled to be completed at the end of 2024, permitting issues delayed the project and now will be completed by June 15, 2025.

The city continues to work with community partners on workforce housing solutions. Ballfield Housing development should be completed by end of June 2025. This development will have added 12 rental units and two-family homes to Condon’s housing stock. The Fairway Housing project is applying for a grant to complete the subdivision planning for potential affordable workforce housing.

ODOT project on North Main Street was completed after a lengthy 6-year process. The project was downsized considerably, but the end result of a new sidewalk on North Main Street has been a vast improvement.

LOOKING FORWARD – 2025-26

The Public Works crew will remain busy with projects in 2025-26, but due to larger than expected costs in the Water Improvement Fund, they will take a pause on large projects. The budget reflects a larger transfer from the General Fund to build it back up for larger water improvement projects. Small projects will continue to be completed that will include leak repairs. Due to issues during spring rainfall and snow run-off, the crew is also looking for solutions at City Farm to alleviate the situation of muddy/discolored water in the future. The city budgeted for “dark sky” lighting that will decrease light pollution in the current year, but did not start that project.

The Condon Grade School building ownership was transferred to Port of Arlington Environmental Sentry Corporation (ESC), a non-profit that’s purpose is to remediate properties of hazardous materials. ESC has secured state, federal and local grant funds to do this project and due to some delays, the timeline has moved from 2024-25 to 2025-26 for completion. It is anticipated that the city will receive the property back in 2026 and start the community process of redevelopment of that property.

Condon Community Pool has reached its end of life, and in 2025-26, the city is looking for community and Gilliam County commitment to determine if a new pool will be built. City is working to get estimates for a master plan. This project has a two-year timeline, and during this time the city intends to keep the pool operating as a short-term solution.

City will start the recruitment process for a city administrator in July 2025 with placement to be by December 2025. No other staffing changes are expected in the 2025-26 year.

Explanation of the Budget Document

The City of Condon’s 2025-26 budget is \$28,500 less than 2024-25 budget.

Conclusion

The total 2025-26 City of Condon proposed budget requirements are \$10,361,000. The amount of taxes imposed in 2025-26 is at the permanent rate of \$7.2820 per \$1,000 of assessed value for operations and approximately \$26,000 for bonds. The City of Condon adheres to Oregon Budget Law.

CITY OF CONDON

2025-26 Budget Notes

The following document is to assist budget members in reviewing the City of Condon's 2025-26 budget. Please review the document, and I encourage you to contact me with any questions prior to the meeting. Kathryn Greiner - 541-384-2711, via email at admin@cityofcondon.com or stop by my office at 128 S. Main Street.

CITY OF CONDON BUDGET INFORMATION

- The Condon City Council held a goal session January 17, 2025 to prioritize projects and a copy is attached. The budget is a document that attempts to reflect the priorities set by the council.
- The City of Condon budget is broken down into different funds and all funds must balance revenues to expenditures. The City has two Enterprise Funds (Water and Sewer) that are to be self-supporting, meaning that receipts taken in should cover all expenditures.
- Cash on Hand in several funds may fluctuate as they are an estimate every year. The estimates were based on the cash balance in March, then anticipate what may occur in the final months of the year.
- The cash on hand for "actual" figures will be large in the budget due to auditing changes in the past several years that add the fixed asset and depreciation amounts. It does not reflect the actual cash that the city has in the bank. Although the cash in the bank remains healthy, several of the funds have decreased the cash on hand due to large projects in the current year.
- An important element of the budget is the operating services – General (including police, fire, golf & park), Water, and Sewer – do not account for equipment replacement costs. The budgeted replacement of equipment is found in equipment reserve funds in the budget.
- Due to the city's Capitalization Policy, all purchases under \$5,000 must be expensed rather than capitalized in a reserve fund. This drives up the expense line in all funds for items that do not meet the \$5,000 threshold.
- Condon City Council reviews the fee scheduled periodically and changed the water fees to be gradual fees based on usage. The Council will review prior to the fiscal year end and determine if fees need to be adjusted.
- Payroll costs include PERS, health and life insurance for employees. The PERS rates decreased with a match to a buy-down two years ago. The PERS rates are 27.20% & 29.22% for OPSRP and Tier 2 respectively. Health insurance is on a calendar year and increase is budgeted at 9% in 2026.
- Insurance costs for liability, property & auto will increase an estimate of 5% in 2026 which is a large decrease from previous years. Workers' compensation insurance is expected to remain the same.

SPECIFIC FUND CHANGES

General Fund - 001

- The General Fund revenue decreased approximately \$200,000 due to the Cash on Hand balance from using generous transfers and several large projects being completed in 2024-25. Interest rates are estimated to remain at 4% for next year. Gilliam County SIP funds have started to decrease and anticipation that they will be zero in the next 2-5 years.
- The **administration** has decreased by approximately \$55,000 due to scaling back on building projects. There is an additional \$10,000 in community projects to account for city administrator recruitment and some funds included in personal services for training the new staff.

- The **police** department has remained the same with no additional changes anticipated. The city contracts with the Gilliam County Sherriff’s office for police services.
- The **fire** department budget has remained similar to previous year.
- The **golf course** budget has decreased significantly due to the new clubhouse to be finished by June 30, 2025.
- The **park** department budget has increased slightly due to additional funds put in “park improvement.”
- The **swimming pool** budget has increased slightly due to the possibility of starting the process of getting a master plan and designs for a new pool.
- The **transfers** have increased slightly overall, but the distributions have changed to replenish Water Improvement Fund (020) after a large project and added a transfer to Street Fund (003) to complete the ODOT Small City Allotment Grant project of paving Oregon and Church Streets from Walnut to Gilliam Streets.

Memorial Hall Fund – 002

- The **Memorial Hall** fund has increased slightly due to completion of projects. Funds are for minor repairs and maintenance.

State Street Fund - 003

- The **street** fund has decreased due to lower the “outside funding sources” to a realistic level but keeping in the SCA project which was awarded and will be completed in 2025. A transfer from the General Fund was added to cover the costs of the SCA paving project.

State Revenue Sharing Fund – 004

- The **State Revenue Sharing Fund** remains the same due to a small transfer and no additional revenue. There is a small Main Street Wi-Fi project being planned for the year.

Development Grant Fund - 005

- The **development** fund has increased slightly with anticipation of a state grant that is to focus on infrastructure for housing. Less was transferred from the General Fund to rebuild several other grants that saw larger projects. Baseball Field Housing has been completed and successfully added multi-family units on four lots and single-family homes on the remaining two lots.

Water Fund - 006

- The **water** fund shows a slight decrease due to the Cash on Hand lower than previous year. The change is reflected in the “contingency” line item.

Sewer Fund - 007

- The **sewer** fund shows increases in the Cash on Hand that is offset in the contingency line item. Adding another employee with associated costs has decreased the fund’s cash.

Equipment Reserve - 008

- The **equipment reserve** fund increased due to an increase in transfers, and no capital projects were made in the current year.

Condon Grade School Building/Facility -009

- This new fund was created to account for the projects associated with the Condon Grade School building and playground. The city is anticipating given possession back of the facility after remediation to determine its fate of either demolition or re-purpose it to mixed use with some housing.

Sewer Reserve - 010

- The **sewer reserve** fund increased slightly with monthly reserve charges. Interest rates went down considerably which caused a cut in interest collected.

Water Trust Fund - 011

- The **water trust** fund is to account for deposits given by the customers. The auditors have recommended not to budget for this fund due to it being a trust and the money received is just held until it can be returned to the customer.

Transient Room Tax Fund - 014

- The **transient** fund distributes 60% of the taxes collected annually to the Condon Chamber of Commerce for tourism activities, and the remaining 40% used at the discretion of the City for tourism activities or facilities. This fund also provides money for summer concert series and has contributed to Main Street beautification.

Water System Improvement Fund – 020

- This fund has decreased due to two large projects being completed in the last two years – city shop and water meter replacement.
- The city has moved a larger transfer from the General Fund in to rebuild for future projects.
- Council directed a reserve to be set up for the transmission line that extends from City Farm to the reservoir northwest of town. Cell tower revenue of approximately \$25,000 a year will be directed to this line item.

Wastewater System Improvement Fund - 030

- The **wastewater system improvement** fund is to account for funds set aside for future wastewater projects. This is up slightly due to the city shop project being completed. A smaller General Fund transfer was made this year.

Water Equipment Reserve Fund -080

- The **water equipment reserve** fund increased slightly due to no major purchases in the current fiscal year.

Sewer Equipment Reserve Fund - 090

- The **sewer equipment reserve** fund has increased slightly due to no major purchases in the current fiscal year.

Debt Service Fund - 100

- The **debt service** fund is for the debt associated with the passage of the bond in 1996. This debt will be paid off in 2039.

Goals & Priorities
Council Retreat – January 17, 2025
Approved by City Council February 5, 2025

WATER

Current Projects – Ongoing- up to two years

- PW crew will work on projects within the city’s Master Plan:
 - Summit Street – Main to East Street
- Review water rates
- Plan for Phase II of the telemetry system upgrade
- Cell tower revenue will be diverted to its own line item in Fund 020 for a reserve for transmission line
- Monitor transmission line potential problem areas that were noted in the line’s evaluation three years ago.
- Water conservation program – continue to investigate programs and possible grant funds for residents.

Two-Ten Year Projects

- Refurbish wet well at City Farm with either a liner or epoxy material.
- Public Works crew is evaluating and assessing the trouble spots in the system and work on projects in the Public Works Master Plan as needed.
- Continue to evaluate Master Plan to determine when an amendment is needed

SEWER

Ongoing – Two Years

- Public Works crew is evaluating and assessing the trouble spots in the system and work on projects in the Public Works Master Plan as needed
- Develop a plan for manhole replace or installation and place the goal of one manhole per fiscal year.

Five + Year Project

- Develop “sludge plan” for lagoons with Anderson, Perry & Associates (Will do this plan if needed)

STREETS/SIDEWALKS

Current – Two year

- Map paving priorities for 10 years by working with Public Works Committee –

- State a conversation with Gilliam County Road Department to partner on Court Street improvements from Main to their shop.
- Continue to apply for street and sidewalk grants as applicable. This includes Safe Routes to School grants.

Two-Ten Year Projects

- Streets – Complete repairs and replacement as water and wastewater project are completed.
- Continue sidewalk replacement/repair project with council prioritizing projects.
- Investigate cost-share program for sidewalk replacement or installation for residents that coincide with the city’s sidewalk standards. Budget \$20,000 for a program that is first come first serve that provides city approved sidewalks. Start a marketing campaign to let residents know this exists in the 2026-27 budget cycle.

TRANSFER STATION/RECYCLE DEPOT

Current Projects - Ongoing

- Continue to investigate recycling options. Working with current partners – Waste Connections and Rick Watkins

Current Project - Ongoing

- Add public art and work to remove ODOT signs on the point.
- Tree planting plans to eventually replace elms.

POOL

Current Project – Ongoing

- Put in place a two-year work plan to operate the Condon Community Pool that includes a lease with Condon School District and work with Gilliam County on funding.
- Secure long-term operational funding from Gilliam County & information on bond for building new pool.
- Working with Pool Committee to get a plan to operate it at the current location for the next 2 years. Develop a communication strategy to determine interest in continuing pool operations and to build a new pool at CGS site.
- Plans for a new pool and timeline based on Pool Committee’s response in next year

FACILITIES

One-Two Year Projects

- **Memorial Hall**
 - Research drop-down screens for meetings.
 - Start the process of getting duct work installed
- **City Hall**
 - Research new flooring, insulation, new front window and other maintenance issues in the Main part of City Hall.
- **Ward Street Shop**
 - Nothing while leased to Gilliam County. Rent is waived to Gilliam County until January 1, 2026 due to the improvements that were installed at inception of lease.
- **Condon Grade School**
 - Work with Port of Arlington, Condon Grade School Committee, Gilliam County on development of this facility.

VEHICLES

Current – Ongoing

- Snow plow blades for two city pickups
- Replace 10-yard dump truck with a 5-yard dump truck
- Dump bed for 2010 Silver Chevrolet to replace 1-ton at golf course & park

PUBLIC SAFETY

Current Project - Ongoing

- Review contract with Gilliam County Sheriff Office, Gilliam County Fire Services and South Gilliam County Rural Fire Protection District

ECONOMIC DEVELOPMENT

Current Project – Ongoing
